

CT 5

The CT 5 is a compact, yet very comprehensive, new model from Elcold.

It comes in several versions:

- Flip-flop lid. This model goes down to -35 c.
- Lift-up glass lid, with a temperature range to -20 C.
- Bottle cooler, with glass lid or as an open model

The measurements makes it useful where space is limited, and there is no room for an ordinary size freezer.

The CT 5 can be built into a counter, for an appetising presentation of your merchandise - in a discreet manner - Actually, we feel confident that the new CT 5 will be a great help in boosting your sales.

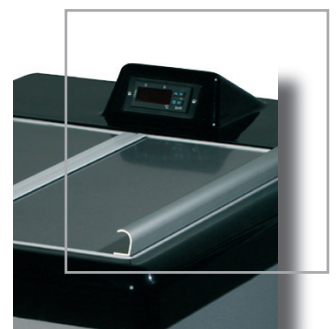

The CT 5 can be delivered with a foamed insulated lift-up lid

The CT 5 comes in original colours

The CT 5 low temperature comes with a digital thermometer / thermostat
